

HUME CITY COUNCIL OFFICES

The 5 star rated Hume City Council Offices are nearing completion.

This landmark \$22.6 million project consists of an office, restaurant, exhibition space, outdoor plaza and carpark.

The six level building incorporates substantial ESD initiatives, including high levels of cement replacement and reclaimed aggregate within the structural concrete.

Part of the aim of this new development is to attract people to the area, while the office levels are open-plan and modern, and include a staff recreation area.

Carparking space has also been increased.

Location:
Broadmeadows, Victoria

Client:
Hume City Council

Architect:
Lyons

Construction Cost:
\$22.6 million
